**We are surrounded by Nature everyday, but how many of us are aware of Gnomes, Dryads, Dwarfs or Fairies? In this workshop you will get to know the character and function of some of the multitude of Nature Spirits which geomancers work with to facilitate Earth Healing.**

**In Addition we will be connecting and experiencing Angelic helpers who are looking after the Earth at the time. This workshop is very hands on, expect healing experiences and deep connection with our unseen heavenly helpers!**

**This Geomancy workshop will provide you with tools for:**

Personal connection with Nature Kingdom and Angelic Kingdom.

Awareness of the different types of Nature Spirits.

Greater experience in the art of dowsing.

Personal & Landscape healing with the aid of Angels.

Working with Landscape Angels – The Spirit of Place.

And Briefly looking at spirit release: Techniques & Practice.
