**We are surrounded by Nature everyday, but how many of us are aware of Gnomes, Dryads, Dwarfs or Fairies? In this workshop you will get to know first hand the character and function of some of the multitude of Nature Spirits which Geomancers and Earth Healers work with to facilitate Earth Healing.**

**We will connect with Natures helpers by means of journey-work, hand dowsing and direct experience. Warning: This workshop is very hands on - Expect healing experiences and deep connection with our Planets unseen helpers!**

**This Geomancy workshop will provide you with tools for:**

Personal connection with Nature's Kingdom .

Awareness of the different types of Nature Spirits.

Greater experience in the art of dowsing and perceiving energy fields.

Personal & Landscape healing with the aid of Elementals.

Working with Landscape Angels – The Spirit of Place.

Sacred Site visit to discover Nature Spirits in their natural roles.

**Shaun Kirwan** - By drawing on western Geomancy and his Shamanic and Buddhist backgrounds, Shaun has developed intuitive techniques for Earth Healing, and creating sacred sites, including the Fern Hill Farm Stone Circle and Sunrise Wood Circle. He is a natural psychic & dowser, with an affinity to Nature Spirits. Shaun has been teaching awareness of earth energies for years. His Geomantic consultancy, operating since 2003, includes home and landscape healing and sacred space creation.
