

HEALING THE PLANET

STARTING WITH YOUR BACKYARD

**A Two-Day Workshop In Practical Geomancy
with Shaun Kirwan**

Date: 20 - 21 October 2018 Cost: £80/ £55conc.

Venue: Chilton Priory, on A39 ,TA7 9AH Glastonbury

Booking: 07879878348 or info@georepairman.co.uk

The earth has many energies; some beneficial and some that can be harmful. In this workshop we will explore some of the Earth's vital energies and learn how to transform, clear or balance them using simple techniques and group healing methods. We will look at our relationship to the earth and some of the mysterious and mythical beings that inhabit it. Learn how our local area and homes can be helped by the use of geomantic techniques.

This introduction to the vast subject of Geomancy will provide you with tools for:

Developing a greater relationship to our local landscapes and the earth.

A deeper understanding of Earth Energies & an introduction to the art of dowsing.

Awareness of the roles of the Nature and Angelic Kingdoms.

Practical healing methods for use in your own area. Creating your own sacred space.

Using dowsing for health. Psychic protection.

Clearing Geopathic stress and Curry/Hartman Grids.

Shaun Kirwan is a Geomancer, Dowser and Natural Intuitive. Since 2003 he has been healing and helping people with energetic disturbances their homes and landscapes. He is a creator of Stone Circles, Labyrinths and Sacred Spaces at many different festivals in the south west.

Shaun also runs workshops teaching all aspects of Geomancy including: Working with Angels & Nature Spirits, Spirit Release/Rescue, Dowsing, Geopathic stress treatment and Sacred Space Design.
